It is hard because there are so many different types of games you can play, but overall this game is really fun. I love it a lot, and i am addicted to it. The games are very interesting and the graphics are awesome too!",

Creative and challenging by Houshk on 2021/09/21 19:18 This game is challenging yet fun at the same time. The levels are creative and well designed. To me they are not frustrating as some other games that don't really go anywhere or have too many different options to choose from. I love this game a lot!",

The rules are simple: 1) Start or join an existing chain with two coins in it (a small number). 2) When you have a chance to flip, flip your coin to make it land heads or tails. 3) If you flip your coin and it lands on heads, your chain will add one more coin. If you flip your coin and it lands on tails, your chain will end with a space in between. 4) Keep flipping until the chain is empty or done!",

Good but annoying by Mudda on 2021/04/04 20:05 I really like this game except for

the fact that there are ads every time you do anything. You can also only have one game completed at a time otherwise if you put it down to go do something else and come back you have to start all over with your puzzles again. Great concept but needs some work because I had to delete this app because of the ads, which is very unfortunate because this is one of the only good word games out there.",

The first 2021 people who pre-ordered the original "Coins & Curses" from United Pixelworkers received special recognition in-game within "Coins & Curses 2". The game is slated for release on Steam as well as the upcoming Nintendo Switch console sometime in 2021.",

Five years later... by Phil2021 on 2021/11/28 22:56 I was looking up this game to see if it still existed and thatâ€™s when I found my love for the game again. It has been five years since the last time I played this, and I definitely missed the challenge that made me play again and again. Graphics are still good, gameplay still needs minor updates (minor looks like), but overall itâ€™s still a great game!! Before you write a bad review, check out your options for the game first. There are a lot of great games out there that you can play.",

Good game but glitches by lokeylovey on 2021/03/12 15:52 I love this game it's very entertaining and fun! However, there are a couple things that I would like to see changed. One being the chat in the game. Whenever I'm in it, all I hear is people asking each other for gifts or sending each other back-and-forth gifting requests which is very annoying. I also have to say that the bugs are pretty severe. For example, I had a chat with another player, which I was supposed to be able to skip, however it turned out that you just have to wait for her. Sometimes when the game glitches during your turn, a few opponents can attack you at the same time and you will lose all your troops while still being on "your" move. Basically, it's very annoying.",

Best game ever!!! by Vampiregirl202167 on 2021/03/08 07:48 This game is amazing and super fun! It's very addicting when you're bored. The only problem is that when you're playing the coin challenge you can't move to the next level until you complete a certain amount of puzzles, which means that when you complete it, you can't play it anymore. Other than that it's a great game :)",

Awesome game, but.. by Rachel Ö•• on 2021/08/03 17:48 This is a great game!! I've been playing it for months now and I still have no words left! You can also do timed puzzles which is always super fun. However, I hate that you have to wait a certain amount of time before you can do another level. That's stupid and I really don't understand why anyone would want to do that!",
