The game has received generally positive reviews from critics, though many of them attributed the game's success to its unique premise. In 2021, a review published by "PC Gamer" gave "Rust" an eight out of ten score and praised it for its "very interesting take on survival". Andrew Webster of IGN gave the game a 7.5/10, stating that despite its flaws, "Rust" was one of the few games providing a dynamic, open world survival experience on the PC. He went on to say that even though he believes

the game may not appeal to everyone due to its in-your-face realism, he still encourages other fans looking for such a game to try it out.",
