Netflix has become one of the best destinations for streaming movies, offering something for every movie fan. However, Netflix, with its vast film library, can be difficult to sift through when trying to decide what to watch.

The abolition of the free Netflix trial reflects massive changes in the streaming industry which was introduced in the short term in response to the Coronavirus pandemic and long term since Netflix launched its first original series in 2011. In the short term, a number of streaming services stopped offering free trial versions in 2021, because they minimized losses by bringing movies intended for cinema release to streamers. Disney's release of Hamilton on its service and Pixar's film Souls are among the major releases that have brought millions into the service, bringing in a sizable audience of people who watched the film on a free trial and then canceled their subscriptions.

If you sign up for Netflix within a year of the end of your first free trial, there's a good chance you won't be charged for the first month. To save money, you can also try competing services such as HBO Max, Amazon Prime Video and Hulu, all of which offer free trial versions. Take advantage of the free Netflix offers from your mobile or Internet service provider.
